

The committee is seeking public input in identifying key issues associated with these topics, related concerns, and suggestions on how those issues and concerns may be resolved.

A number of related efforts are currently under way, or have been completed, that will also help in identifying issues and making recommendations, including:

- Report of the Interagency Management Review Team, South Canyon Fire—October 17, 1994
- Rural Fire Protection in America, National Association of State Foresters—1991
- Oversight Hearing; Fire Suppression, Fire Prevention, and Forest Health Issues and Programs; Committee on Agriculture and the Committee on Natural Resources, House of Representatives—October 4, 1994
- National Commission on Wildfire Disasters; Sampson, Chair—1994
- Western Forest Health Initiative Report, USDA-Forest Service—1994
- Fire Management Strategic Assessment Report, USDA-Forest Service (draft)—1994
- Fire Management and Ecosystem Health in the National Park system, DOI-National Park Service—1994

A draft report is expected to be issued by April 24, 1995. At that time the public will have an additional opportunity to review the draft report and make comments. The report shall contain recommendations on:

- Federal wildland fire management policy and strategic goals and objectives for the federal wildland fire management program;
- Barriers and obstacles (administrative, regulatory, and statutory) that prevent accomplishment of recommended fire management policy and strategic goals and objectives;
- Specific actions necessary to overcome those barriers and obstacles.

The final report is expected to be forwarded to the Secretaries of Agriculture and the Interior by August 15, 1995.

SUPPLEMENTARY INFORMATION:

This action has been reviewed and determined not to be a rule or regulation as defined in Executive Order 12866 and Departmental Regulation 1512-1; therefore, the Executive Order and Departmental Regulation do not apply to this action.

In the October 31, 1994, **Federal Register** (59 FR 54427, 54428), GIPSA asked persons interested in providing official services in the geographic areas assigned to Detroit, Jinks, Keokuk, and Michigan to submit an application for designation. There were four applicants. Detroit, Keokuk, and Michigan, each applied for designation to provide official inspection services in the entire area currently assigned to them. Jinks applied for designation to provide official Class X and Class Y weighing services in the entire area currently assigned to them. Springfield Grain Inspection, Inc., applied for the portion of Keokuk's area that includes all of Mason County and the part of Fulton County South of State Route 24.

GIPSA is publishing this notice to provide interested persons the opportunity to present comments concerning the applicants. Commenters are encouraged to submit reasons and pertinent data for support or objection to the designation of these applicants. All comments must be submitted to the Compliance Division at the above address. Comments and other available information will be considered in making a final decision. GIPSA will publish notice of the final decision in the **Federal Register**, and GIPSA will send the applicants written notification of the decision.
